

ARLFX, SILLS AIR RANGE CLOSURE NOTICE:

Starting **16 March**, the Arlington-Fairfax Chapter, Sills Air Range is closing until at least 12 April. All open practices and high school practices are cancelled during that timeframe. All matches during this time are postponed — further details to come from the match directors.

Obviously, this is due to the need to reduce exposure to COVID-19. This decision is in line with what schools are doing and also due to USA Shooting postponing Junior Olympics. We will revisit range operations as circumstances evolve.

This is a good time to dry fire or use your SCATT!

Please let me know if you have any questions.

Roger Thrasher
Air Range Director
