A total of 11 attended the meeting.

The meeting came to order at 1:05pm.

From Secretary Justice Percell:

“I determined that there was not a quorum at the meeting, and therefore votes would not be taken. However, after further review of the bylaws, it was determined that there was indeed a quorum. I apologize for the confusion. However, the bylaws are not clear, and is another reason why work is continuing to rework the bylaws.”
