Secretary's Report

Justice Percell reported:

Director of Indoor Archery

Marvin Hicks reported:

- We need to work with the Arlington-Fairfax IWLA Board regarding misuse of badges, and requirements for archers.

Field Archery Director Dick Riemer added comments on guests and badges, which were clarified in an email:

The range badge holder, their spouse, and children until 22 years old, are considered the family. All are allowed to use the ranges under the supervision of range badge holder.

Everyone but the badge holder needs to fill out the liability waiver on each visit to any range, and sign in before starting to shoot. If a child over age 22 does not choose to become a chapter member, then they would be considered a regular guest needing to pay the guest fee. Otherwise, there is no fee for immediate family members to shoot.

When a badge holder brings in a non-member, a guest liability waiver form must be completed, a \$10 fee is collected, and the guest must sign in before beginning to shoot under the supervision of range badge holder.

Members, their spouses, dependent children or grandchildren under 22 years of age, living in the same domicile, may enjoy the privileges of the property, while escorted by the member, but will be expected to properly identify themselves at any time if requested to do so by Chapter officers, directors, range safety officers, or any member.

Monthly Meeting, September 7, 2025

The key here is children up to age 22 must live in the same household to use the ranges free of fees.

Marvin Hicks continued:

- There will be a possible work party scheduled prior to the November 8-9 shoot.
- The club is continuing to lose money on paper targets, and should consider partial payment for targets.

Director of Social Activities

Linda Riemer reported that the caterer for last year's Christmas dinner is willing to cater this year's dinner for the same price.

Motion to set aside \$2,000 from the Cub Run Archer social account for the Cub Run Christmas dinner was made. The motion was seconded, and passed unanimously.

VBA Representative

Paul Vogel gave the VBA report.

- Club members unanimously agreed to submit a bid for the State shoot on April 25-26, 2026.
- The possibility of hosting the 2026 VBA Jamboree shoot was discussed.
- Cub Run Archers Vice-President Tom Miller was the Spring 3D Classic winner. Tom also set a new record for the State Open.
